¹Plans F and G also have a high deductible option which require paying a plan deductible of (\$2,870) before the plan begins to pay. Once the plan deductible is met, the plan pays one hundred percent (100%) of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

²For Plans K and L, after you meet your out-of-pocket yearly limit and your yearly Part B deductible (\$257 in 2025), the Medigap plan pays 100% of covered services for the rest of the calendar year.

³Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that don't result in an inpatient admission.
