### \*OFFICE COPAYMENT GUIDELINES

A copayment will be applied to each office visit for the covered services performed in the office and provided and billed by a physician who is an in-network provider. The remaining charges for covered services rendered during the office visit will be paid at 100% of the maximum allowable charge. If a physician who is an out-of-network provider is utilized for covered services, benefits will be determined on the basis the out-of-network coinsurance percentage after deductible is met.

Copayments do not apply to the following services: advanced radiological imaging, allergy testing and injections, biopsy interpretation, bone density testing, cardiac diagnostic testing, chemotherapy services, chiropractic services, complex diagnostic services, dental services except preventative and restorative for all individuals age 19 and over, diagnostic services sent out, durable medical equipment, growth hormone injections, IV therapy, Lupron injections, mammography, maternity services, nerve conduction studies, neuropsychological or neurological tests, nuclear cardiology, nuclear medicine, orthotics, preventative services as indicated in contract, prosthetics, provider administered specialty pharmacy products, sleep studies, surgery performed in a physician's office and related surgical supplies, Synagis injections, therapeutic/ rehabilitative/ habilitative services, ultrasounds and vision services. These services are subject to the terms and conditions of the contract and deductibles and coinsurance will apply except where otherwise indicated. Copayments will not be applied to the deductibles or out-of-pocket maximums.

### MATERNITY BENEFITS

Maternity benefits will be eligible after an individual's 6 month pre-existing waiting period is exhausted.

#### PRE-EXISTING CONDITION WAITING PERIOD

Benefits will not be provided for any pre-existing condition until an individual has completed a waiting period of at least six months. A pre-existing condition is defined in the contract as "An illness, injury, pregnancy or any other medical condition which existed at any time preceding the effective date of coverage under this contract for which: Medical advice or treatment was recommended by, or received from, a provider of health care services; or symptoms existed which would cause an ordinarily prudent person to seek diagnosis, care or treatment."
